User's Guide to Subject Index

1. **Legislative studies:** Studies by legislative committees (or other bodies with legislators as members) are entered only under *Legislative Affairs: Committee Studies*. No subject entry is provided.
2. **Non-legislative studies:** Studies by non-legislative entities are entered in a subject section, but *not* under the agency(s) performing the study.
3. **Departmental entries:** Only bills directly affecting the organization and management of a department appear under the department/office entry. Administrative rule legislation may also appear under the departmental entry, although it usually appears under the subject matter of the rule. All programs and other responsibilities are located under the subject heading(s).
4. **Parish/municipal topics:** Most bills dealing with parishes and municipalities are entered under a specific subject heading and *not* under *Parishes* or *Municipalities*. However, bills which have no appropriate subject heading elsewhere in the index have an entry under *Parishes* or *Municipalities*.
5. **Retirement systems:** Bills about the various retirement systems are only indexed under *Retirement*. For example, bills dealing with firefighters' retirement will *not* appear under *Fire Protection & Officers*.
6. **Appropriations:** Bills actually making an appropriation *only* appear under *Appropriations*.
